

A Collection of Interviews: Conversations with the World's Leading Thinkers

A Collection of Interviews is a book that presents a series of in-depth interviews with some of the world's leading thinkers. These interviews explore a wide range of topics, from the nature of consciousness to the future of AI.

The book is divided into three sections. The first section, "The Nature of Reality," features interviews with physicists, philosophers, and neuroscientists who explore the fundamental questions of what reality is and how we experience it.
