## Love

One of the central themes of 21 is love. Adele explores the different facets of love, from the intense passion of new love to the pain of heartbreak and the bittersweet memories of a love that is lost. In the song "Rolling in the Deep," Adele sings of her betrayal and heartbreak, declaring, "We could have had it all / Rolling in the deep / When your heart's on fire / You can never let it go."

However, Adele also sings of the hope and possibility of love. In the song "Set Fire to the Rain," she expresses her desire to overcome the pain of the past and find love again, singing, "I set fire to the rain / Watched it pour as I touched your face / Well, it burned while I cried / 'Cause I heard it screaming out your name, your name."

## **Loss**

Another major theme of 21 is loss. Adele sings of the pain of losing a loved one, whether through death or a breakup. In the song "Someone Like You," Adele expresses her longing for her former lover, singing, "I hate to turn up out of the blue, uninvited / But I couldn't stay away, I couldn't fight it / I had hoped you'd see my face and that you'd be reminded / That for me, it isn't over."

However, Adele also sings of the healing and growth that can come from loss. In the song "Turning Tables," she reflects on her past relationships and realizes that she has grown stronger from her experiences, singing, "I won't let you go / I know it's killing you now / But I won't let you go / I know it's killing you now / But I'll be strong, I'll be strong, I'll be strong."

## **Resilience**

Throughout 21, Adele demonstrates her resilience and strength. She sings of her ability to overcome adversity and find happiness again, despite the pain she has experienced. In the song "Rumour Has It," Adele sings of the rumors and gossip that surround her, but declares, "I heard that you're settling down / That you found a girl and you're married now / I heard that your dreams came true / Guess it's true that I can't have you."

Adele also sings of her determination to move forward and create a better future for herself. In the song "Chasing Pavements," she sings, "I'm gonna find someone / I'm gonna love someone / I'm gonna do something / I'm gonna make someone happy / I'm gonna find someone / I'm gonna love someone / I'm gonna do something / I'm gonna make someone happy."

Adele's 21 album is a powerful and moving work of art that explores the universal themes of love, loss, and resilience. Through her raw and honest lyrics, Adele gives voice to the pain and heartbreak of heartbreak, but she also offers hope and inspiration. 21 is an album that has resonated with millions worldwide, and its lyrics continue to inspire and comfort listeners today.
