Donland is a gripping historical novel that tells the story of Perry Comer, a young American naval officer who rises through the ranks to become a frigate captain during the War of 1812. Comer is a brave and resourceful leader, and his ship, the USS Constitution, is one of the most famous warships in American history.

The novel follows Comer and the Constitution as they sail the Atlantic Ocean, engaging in daring raids against British shipping and fighting in major battles, including the Battle of Lake Erie. Comer is a brilliant tactician, and his victories help to turn the tide of the war in favor of the United States.

Donland is a well-written and exciting novel that brings to life the story of a true American hero. Comer is a complex and fascinating character, and his adventures are both thrilling and inspiring. The novel is a must-read for anyone interested in naval history or historical fiction.

## **About the Author**

Perry Comer was born in Falmouth, Massachusetts, in 1784. He joined the United States Navy in 1802, and served with distinction during the War of 1812. Comer commanded the USS Constitution in several major battles,

including the Battle of Lake Erie, and was promoted to captain in 1814. After the war, Comer continued to serve in the Navy, and retired in 1833.

Donland is a fictionalized account of Comer's life and career. The novel is based on extensive research, and provides a vivid and accurate portrayal of the War of 1812 and the role that Comer played in it.
