The 25th European Symposium on Research in Computer Security (ESORICS 2024) will be held in Guildford, UK, from September 23-27, 2024. The symposium will bring together researchers, practitioners, and policymakers to discuss the latest advances in computer security.

## Call for Papers

The ESORICS 2024 Program Committee invites submissions of original research papers on all aspects of computer security. Topics of interest include, but are not limited to:

- Applied cryptography
- Cloud and distributed system security
- Cyber-physical system security
- Data and network security
- Formal methods and security
- Human-centered security
- IoT and embedded system security
- Machine learning and security
- Privacy and anonymity
- Security economics and policy
- Software and hardware security
- System and network security

Authors are invited to submit their papers via the ESORICS 2024 website by March 15, 2024.

## **Keynote Speakers**

The ESORICS 2024 keynote speakers are:

- **Professor David Wagner**, University of California, Berkeley
- **Professor Sarah Spiekermann**, University of Vienna
- **Professor Michael Specter**, Georgia Institute of Technology

## Registration

Registration for ESORICS 2024 will open in May 2024. Early bird registration rates will be available until August 1, 2024.

For more information about ESORICS 2024, please visit the ESORICS 2024 website.
