Captain Richard de Crespigny has been flying for over 30 years, and in that time he's seen it all. He's flown everything from small Cessnas to jumbo jets, and he's worked for a variety of airlines, both large and small.

In this book, Captain de Crespigny shares his unvarnished insights into the airline industry. He covers everything from the training process to the day-to-day realities of flying for a living. He also tells some of the funniest, scariest, and most inspiring stories from his own career.

Whether you're an aspiring pilot, a seasoned professional, or just someone who's curious about the airline industry, this book is a must-read. Captain

de Crespigny's wit, wisdom, and experience will give you a unique perspective on one of the most exciting and demanding professions in the world.

What You'll Learn in This Book

- The different types of pilot jobs and how to get them
- The training required to become a pilot
- The day-to-day realities of flying for a living
- The challenges and rewards of being a pilot
- The future of the airline industry

What People Are Saying About This Book

"Captain de Crespigny's book is a must-read for anyone who's interested in a career in aviation. He provides an unvarnished look at the industry, from the training process to the day-to-day realities of flying for a living. I highly recommend it." - **Patrick Smith, author of Cockpit Confidential**

"Captain de Crespigny's book is a fascinating and informative look at the airline industry. He shares his insights into everything from the training process to the day-to-day realities of flying for a living.
