Synopsis

Mad About You is a gripping psychological thriller that follows the story of Emily, a young woman who becomes entangled in a dangerous game of obsession and betrayal.

Emily is a successful lawyer with a seemingly perfect life. She has a loving husband, a beautiful home, and a promising career. But beneath her polished exterior, Emily is struggling with a secret: she is obsessed with her ex-boyfriend, David.

When David suddenly reappears in Emily's life, she is thrilled. But her joy turns to terror when she realizes that David is not the man she remembers. He is now a dangerous and manipulative stalker who will stop at nothing to destroy her life.

As Emily tries to escape David's clutches, she finds herself questioning everything she thought she knew about love, trust, and herself. She must confront her own inner demons and find a way to break free from the cycle of obsession and betrayal that is threatening to consume her.
