Written in 1680, during a period of great political and religious turmoil in England, Patriarcha Or The Natural Power Of Kings is a defense of the divine right of kings. Filmer argues that kingship is a natural and necessary institution, ordained by God and rooted in the patriarchal authority of the father. He traces the history of kingship from Adam and Eve to the present

day, showing how the authority of kings has always been based on the natural Free Download of things.

Filmer's theory of kingship is based on the belief that all authority comes from God. He argues that God created the world and appointed Adam as the first king over his family. This authority was passed down from Adam to his sons and grandsons, and so on, until it eventually reached the kings of the present day. Filmer believes that kings are not subject to the laws of man, but only to the laws of God. They are responsible for ruling their people justly and righteously, and for protecting them from harm.

Patriarcha Or The Natural Power Of Kings is a controversial work, and it has been criticized by many for its authoritarian views. However, it remains an important text in the history of political thought, and it offers valuable insights into the nature of power and the foundations of a just society. Whether you agree with Filmer's s or not, Patriarcha Or The Natural Power Of Kings is a must-read for anyone interested in leadership, history, or political theory.

## **The Importance of Patriarcha Or The Natural Power Of Kings**

Patriarcha Or The Natural Power Of Kings is an important work for a number of reasons. First, it offers a unique perspective on the nature of power. Filmer argues that power is not something that is granted by the people, but rather something that is inherent in the natural Free Download of things. This view of power is in stark contrast to the modern view, which sees power as something that is created and controlled by the people.

Second, Patriarcha Or The Natural Power Of Kings provides a valuable historical perspective on the development of kingship. Filmer traces the

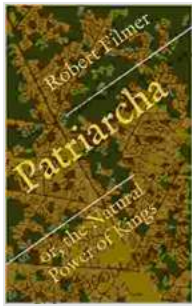

history of kingship from Adam and Eve to the present day, showing how the authority of kings has always been based on the natural Free Download of things. This historical perspective is important for understanding the origins of kingship and the role that it has played in human history.

Third, *Patriarcha Or The Natural Power Of Kings* offers a number of important insights into the foundations of a just society. Filmer argues that a just society is one that is based on the natural Free Download of things. He believes that kings are responsible for ruling their people justly and righteously, and for protecting them from harm. Filmer's insights into the foundations of a just society are still relevant today, and they offer valuable guidance for leaders and policymakers.

### **Who Should Read *Patriarcha Or The Natural Power Of Kings*?**

*Patriarcha Or The Natural Power Of Kings* is a must-read for anyone interested in leadership, history, or political theory. It is also a valuable resource for anyone who wants to understand the foundations of a just society. Whether you agree with Filmer's s or not, *Patriarcha Or The Natural Power Of Kings* is a thought-provoking and insightful work that will challenge your thinking about power, kingship, and the nature of a just society.

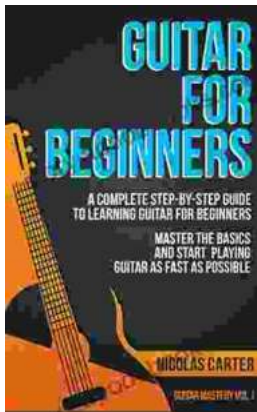

If you are interested in learning more about *Patriarcha Or The Natural Power Of Kings*, I encourage you to read the book for yourself. You can find it online or at your local library. I also encourage you to explore other works by Sir Robert Filmer. He was a brilliant political philosopher, and his writings offer valuable insights into the nature of power and the foundations of a just society.
