The Architectural Heritage of Srinagar

Srinagar has a long and rich history, and its architectural heritage reflects the many cultures that have influenced the city over the centuries. The city was founded by the Mauryan emperor Ashoka in the 3rd century BC, and

was later ruled by the Kushans, the Mughals, and the Sikhs. Each of these empires left its own unique mark on the city's architecture.

The Mughal period was particularly significant for Srinagar's architectural development. The Mughals were great patrons of the arts, and they commissioned the construction of many mosques, palaces, and gardens in the city. Some of the most famous Mughal landmarks in Srinagar include the Jama Masjid, the Nishat Bagh, and the Shalimar Bagh.

The INTACH Roli Guide

The INTACH Roli Guide to Srinagar is a comprehensive guide to the city's architectural heritage. The book features over 200 photographs and detailed descriptions of Srinagar's most important architectural landmarks. The guide is divided into four sections:

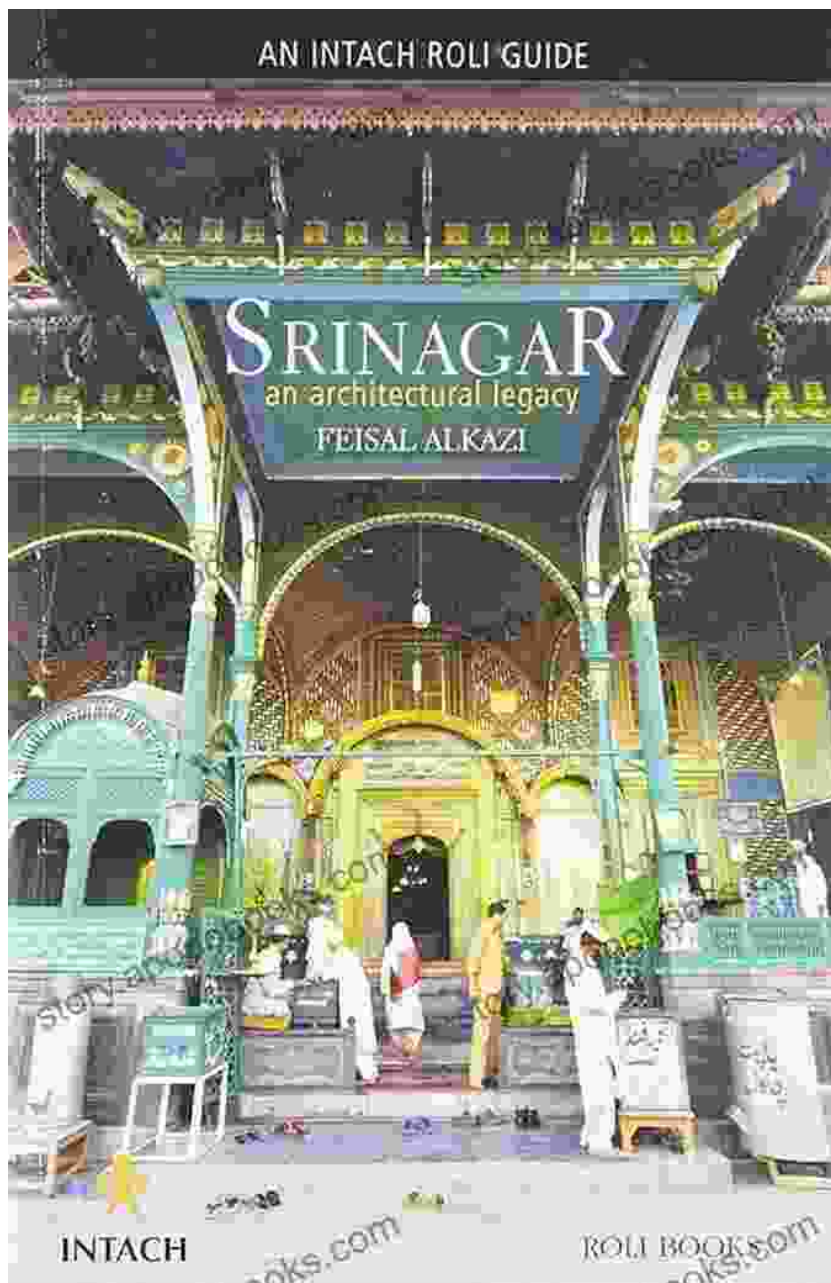

- Mosques
- Temples
- Palaces
- Gardens

Each section provides a brief overview of the architectural style of the period, followed by detailed descriptions of the individual landmarks. The guide also includes a map of Srinagar, showing the location of the landmarks.

Srinagar: An Architectural Legacy is a valuable resource for anyone interested in the history and culture of Srinagar. The book provides a

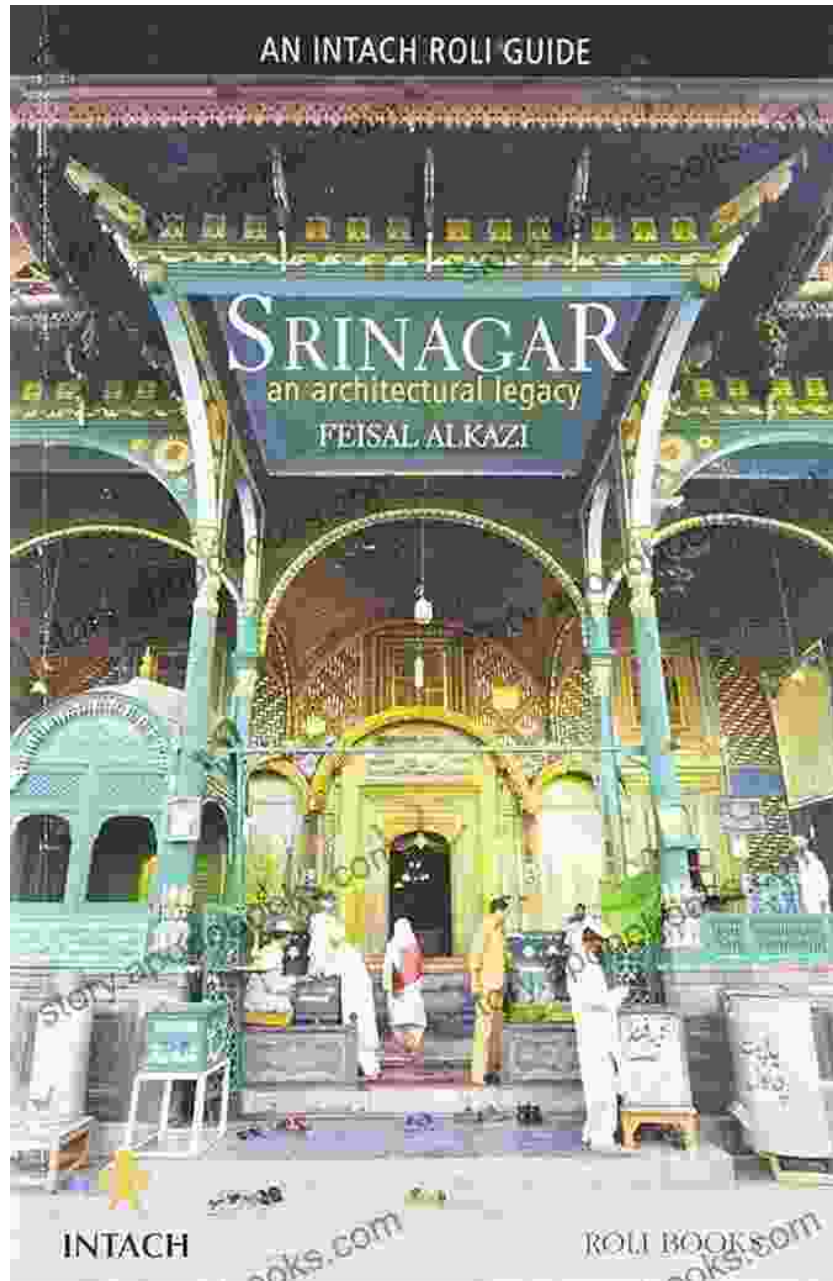

comprehensive overview of the city's architectural heritage, and is a must-have for anyone planning a visit to Srinagar.
