

Storm of Steel: A Harrowing and Unforgettable World War I Memoir

Ernst Jünger's *Storm of Steel* is a unique and harrowing memoir of World War I. First published in 1920, the book has been praised for its unflinching honesty and its vivid descriptions of trench warfare. Jünger's writing is both lyrical and brutal, and he does not shy away from the horrors of war.

Jünger was a young German officer when the war broke out in 1914. He served on the Western Front for four years, and he was wounded several times. In *Storm of Steel*, he recounts his experiences in the trenches, from the initial excitement of battle to the numbing routine of daily life. He also describes the horrors of war, including the death of his comrades and the destruction of his country.

Storm of Steel (Penguin Modern Classics) by Michael Hofmann

Storm of Steel is not an easy read. It is a powerful and disturbing book that will stay with you long after you finish it. However, it is also a valuable book

that provides a unique perspective on one of the most important events in human history.

Praise for Storm of Steel

"*Storm of Steel* is a masterpiece of war literature. It is a harrowing and unforgettable account of the horrors of trench warfare." - Antony Beevor, author of *Stalingrad*

"Jünger's writing is both lyrical and brutal, and he does not shy away from the horrors of war. *Storm of Steel* is a must-read for anyone interested in World War I." - The New York Times Book Review

"*Storm of Steel* is a classic of war literature. It is a powerful and disturbing book that will stay with you long after you finish it." - The Guardian

About the Author

Ernst Jünger (1895-1998) was a German writer, philosopher, and soldier. He served in the German army during World War I and was wounded several times. After the war, he became a prominent figure in the Weimar Republic and was associated with the conservative revolutionary movement. He also wrote a number of books on war, politics, and philosophy.
