## About the Book

In *Tangled Titans*, authors John Mearsheimer and Robert Kagan tackle the complex and ever-evolving relationship between the United States and China. Drawing on decades of experience in international relations and diplomacy, they provide a nuanced and insightful analysis of the challenges and opportunities facing these two global superpowers.

The book begins by examining the historical roots of the US-China relationship, from the early days of trade and diplomacy to the Cold War era. Mearsheimer and Kagan then trace the development of the relationship in the post-Cold War period, focusing on the economic interdependence between the two countries as well as the growing tensions over issues such as trade, human rights, and security in the Asia-Pacific region.

*Tangled Titans* is a must-read for anyone who wants to understand the complex and dynamic relationship between the United States and China. It is a valuable resource for students, scholars, policymakers, and anyone interested in the future of global affairs.

## Praise for *Tangled Titans*
