The report is divided into two volumes. Volume I details the Russian government's interference in the election, while Volume II examines whether President Trump obstructed justice.

Volume I: Russian Interference

Volume I of the Mueller Report concludes that the Russian government interfered in the 2016 presidential election "in a sweeping and systematic

fashion." The report details how the Russian government used a variety of 手段s to interfere in the election, including:

- Hacking into the computer systems of the Democratic National Committee and the Clinton campaign

- Releasing stolen emails and documents through WikiLeaks

- Using social media to spread disinformation and propaganda

- Contacting Trump campaign associates in an effort to coordinate with them

The report also concludes that the Russian government "developed a clear preference for Trump" and took steps to help him win the election.

Volume II: Obstruction of Justice

Volume II of the Mueller Report examines whether President Trump obstructed justice during the investigation into Russian interference in the election. The report concludes that Trump "did not take steps to obstruct the investigation" but that he "publicly and privately" engaged in "conduct that was likely to have the effect of obstructing the investigation."

The report lists ten examples of Trump's conduct that it says "were likely to have the effect of obstructing the investigation." These examples include:

- Trump's firing of FBI Director James Comey

- Trump's asking then-Attorney General Jeff Sessions to unrecuse himself from the investigation
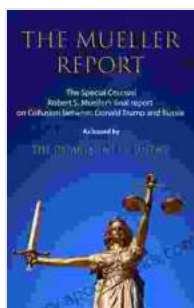

- Trump's attempts to get Mueller fired

The report concludes that "while this report does not conclude that the President committed a crime, it also does not exonerate him."
