

The Scramble for the Mastery of Africa

A History of Colonialism

The Scramble for the Mastery of Africa is a comprehensive and engaging history of colonialism in Africa. This book explores the political, economic, and social factors that led to the partition of Africa by European powers, and the devastating consequences of colonial rule.

Empires in the Sun: The Struggle for the Mastery of Africa by Pippa Norris

Author Thomas Pakenham provides a detailed account of the European powers' scramble for African territory, beginning with the Portuguese exploration of the continent in the 15th century. He traces the development of European colonialism in Africa, from the establishment of trading posts and coastal settlements to the full-scale colonization of the continent in the late 19th century.

Pakenham's book is not just a dry history of dates and events. He brings the story of colonialism to life with vivid accounts of the explorers,

missionaries, and colonial administrators who shaped Africa's destiny. He also provides a nuanced analysis of the complex relationship between colonizers and colonized, and the lasting legacy of colonialism in Africa.

The Scramble for the Mastery of Africa is a must-read for anyone interested in African history, colonialism, or the impact of imperialism on the world.

Table of Contents

1. The Explorers
2. The Missionaries
3. The Traders
4. The Colonizers
5. The Consequences of Colonialism
6. The Legacy of Colonialism

Reviews

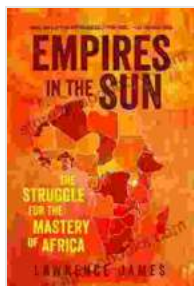

"A masterful work of scholarship and a compelling narrative that brings to life the complex and tragic history of colonialism in Africa." - **The New York Times**

"Pakenham's book is a must-read for anyone interested in African history, colonialism, or the impact of imperialism on the world." - **The Washington Post**

"A brilliant and devastating account of the European scramble for Africa." - **The Guardian**
