PERCEPTION	REALITY
	
 It is how a person sees something	 It is the truth & how things exist
 Varies from person to person	 Doesn't depend on people
 Outcome of one's knowledge, attitude & beliefs.	 It is not affected by these
 It can be wrong or right.	 It is always right
 Can be biased	 Can't said to be biased or unbiased
 Can be negative or positive	 It can't be described as positive or negative
 It is person's choice	 It is not a choice
