

Useful Strangers: The United States and the Americas

By [Author's Name]

The United States has a long and complex history with its neighbors in the Americas. From the early days of European colonization to the present day, the United States has played a major role in shaping the political, economic, and cultural development of the region. In *Useful Strangers: The United States and the Americas*, [Author's Name] provides a comprehensive and engaging exploration of this complex and ever-evolving relationship.

Drawing on a wide range of sources, including archival research, interviews, and personal observations, [Author's Name] traces the history of US-Latin American relations from the early days of the republic to the present day. He examines the various ways in which the United States has intervened in the affairs of its neighbors, from military interventions to economic sanctions. He also explores the ways in which Latin Americans have resisted US influence, from armed revolts to cultural and economic nationalism.

Ecuador and the United States: Useful Strangers (United States and the Americas) (United States and the Americas) (The United States and the Americas) (The United States and the Americas Ser.) by Ronn F. Pineo
